

Event description:

On 11 July, as part of the Erasmus+ KA2 *Peace of Arts* project JuBuK hosted its *Sing4Peace Karaoke* event, bringing together 13 young people from 12 different countries to celebrate peace through music. Participants performed well-known songs promoting harmony and unity, including John Lennon's *Imagine* and Michael Jackson's *Heal the World*.

Beyond singing, the group shared elements of their cultures and cuisines, creating an atmosphere of understanding and connection. The evening held special significance for the Ukrainian participants, offering a meaningful space for solidarity and hope.

As an outcome of the event, participants curated a playlist of peaceful songs, which other organisations can use to promote peace and intercultural dialogue in future activities.
